
NMAM INSTITUTE OF TECHNOLOGY (NMAMIT), NITTE
COMPREHENSIVE INFORMATION GUIDE

1. EXECUTIVE OVERVIEW

Nitte Mahalinga Adyanthaya Memorial Institute of Technology (NMAMIT) is a premier autonomous engineering institution located in Nitte, Karnataka, India. Established in 1986, the institute has grown into a leading hub for technical education and research in South India. In June 2022, NMAMIT became a constituent college of Nitte (Deemed to be University), Mangaluru.

2. KEY HIGHLIGHTS & QUICK FACTS

- Established Year : 1986
- Institution Type : Constituent College of Nitte (Deemed to be University)
- Campus Area : 125 Acres
- Location : Nitte, Karkala Taluk, Udupi District, Karnataka - 574110
- Approval : All India Council for Technical Education (AICTE), New Delhi
- Accreditation : NAAC 'A+' Grade, NBA (National Board of Accreditation - Tier I)
- Placement Cell : Abhyuday (Placement, Counselling, Welfare & Training Cell)
- Annual Fest : Incridea (National-Level Techno-Cultural Fest)

3. RANKINGS & ACCREDITATION

- NAAC: Accredited with an 'A+' Grade for academic excellence and infrastructure.
- NBA: Key undergraduate programs (Civil, CSE, ISE, ECE, EEE, Mech, Biotech) and postgraduate programs are Tier-I NBA accredited.
- NIRF Ranking: Consistently ranked among top engineering institutes in India (Rank band 151-200 in NIRF Engineering rankings).
- AICTE-CII Survey: Category 'Platinum' rating for strong industry link and collaboration.

4. ACADEMIC PROGRAMS

[A] UNDERGRADUATE PROGRAMS (B.Tech / B.E.) - 4 Years

- Artificial Intelligence & Machine Learning (AI & ML)
- Artificial Intelligence & Data Science (AI & DS)
- Biotechnology Engineering (BT)
- Civil Engineering (CIV)
- Computer & Communication Engineering (CCE)
- Computer Science & Engineering (CSE)
- Computer Science & Engineering (Cyber Security)
- Electrical & Electronics Engineering (EEE)
- Electronics & Communication Engineering (ECE)
- Information Science & Engineering (ISE)
- Mechanical Engineering (ME)
- Robotics & Automation Engineering

[B] POSTGRADUATE PROGRAMS (M.Tech / MCA) - 2 Years

- M.Tech in Computer Science & Engineering
- M.Tech in Cyber Security
- M.Tech in Structural Engineering

- M.Tech in VLSI Design & Embedded Systems
- M.Tech in Mechatronics
- MCA (Master of Computer Applications)

[C] DOCTORAL & RESEARCH PROGRAMS (Ph.D.)

- All academic departments are recognized research centers under Nitte University offering Ph.D. programs in core engineering, basic sciences, and interdisciplinary domains.

5. ADMISSION & ELIGIBILITY

- B.Tech Admissions:
 - Candidates must pass 10+2 / Pre-University Education (PUC) with Physics, Mathematics, and Chemistry/Computer Science/Biotechnology as main subjects.
 - Entrance Exams accepted: KCET (Karnataka CET), COMEDK UGET, and NUCAT (Nitte University Common Admission Test).
- M.Tech Admissions:
 - Relevant Bachelor's degree (B.E./B.Tech) with a valid score in GATE or Karnataka PG CET / NUCAT.
- MCA Admissions:
 - Any recognized Bachelor's degree with Mathematics at 10+2 or Graduation level and a valid score in Karnataka PG CET / NUCAT.

6. CAMPUS INFRASTRUCTURE & FACILITIES

- Campus Environment: A serene 125-acre lush green campus nestled at the foothills of the Western Ghats.
- Central Library: Fully automated central library stocked with extensive books, e-journals, IEEE Xplore digital library access, audio-visual units, and quiet study zones.
- Hostels: On-campus separate hostels for boys and girls with modern amenities, 24/7 security, Wi-Fi connectivity, and hygienic dining options.
- Sports Complex: Synthetic 400m athletic track, indoor sports auditorium, gymnasiums, football ground, cricket fields, and basketball courts.
- Health & Medical Care: On-campus health center supported by K.S. Hegde Medical Academy, providing 24/7 medical services and emergency care.
- Innovation & Incubation: Nitte Incubation Center (supported by KECT and DST) promoting entrepreneurship, startups, and product prototyping.

7. PLACEMENTS & CAREER DEVELOPMENT

The dedicated placement cell 'Abhyuday' actively conducts soft-skills training, mock interviews, coding bootcamps, and career guidance sessions starting from the early semesters.

- Top Recruiters:
 - Tech Giants: Microsoft, Amazon, Oracle, Dell R&D, Samsung Research
 - IT Services: Infosys, TCS, Cognizant, Wipro, Accenture, Capgemini
 - Core/Automotive/Electronics: Mercedes-Benz, Bosch, Siemens, Sony, BHEL
- Salary Highlights:
 - Highest Package Offered: > 50 LPA
 - Average Package: ~ 8 LPA
 - Placement Rate: 85% - 90%+ across eligible branches

8. CAMPUS LIFE & STUDENT ACTIVITIES

- Incridea: The signature annual national-level techno-cultural festival bringing together thousands of participants across sports, arts, music, and technical competitions.
- Student Clubs:
 - Technical: IEEE Student Branch, ACM Chapter, SAE India (Robotics/Formula Student), Coding Clubs.
 - Cultural & Social: Rotaract Club, NSS (National Service Scheme), Literary Club, Fine Arts Club, Photography Club.

9. LOCATION & CONNECTIVITY

- Address: NMAM Institute of Technology, Nitte, Karkala Taluk, Udupi District, Karnataka - 574110, India.
- Connectivity:
 - Nearest Airport: Mangaluru International Airport (IXE) ~ 45 km
 - Nearest Railway Station: Udupi Railway Station ~ 40 km / Mangaluru Central ~ 50 km
 - Highways: 19 km from NH-66 (Kochi-Mumbai) and 7 km from NH-169 (Mangaluru-Solapur).

10. CONTACT INFORMATION

Nitte Mahalinga Adyanthaya Memorial Institute of Technology(NMAMIT), Nitte, established in 1986 and recognized by the All India Council for Technical Education, New Delhi, is now a constituent college of Nitte (Deemed to be University), Mangaluru, since June 2022. Rank band 151-200 in the National Institutional Ranking Framework (NIRF) 2025 by Ministry of Education, Government of India, the College has been placed under 'Platinum' category for having high industry linkages by the AICTE-CII Survey of Industry-Linked Technical Institutes 2020. NMAMIT, the off-campus centre of Nitte DU located at Nitte in Karkala Taluk, has active collaborations with several international universities and organizations for faculty and student exchanges, research, internships and placements.

The Institute offers UG engineering program in fourteen disciplines; Artificial Intelligence & Machine Learning (AI&ML), Artificial Intelligence & Data Science (AI&DS), Biotechnology (BT), Civil Engineering(CIV), Computer & Communication Engineering (CCE), Computer Science & Engineering(CS),Computer Science (Cyber Security), Electrical & Electronics Engineering (E&E), Electronics & Communication Engineering (E&C), Electronics (VLSI Design & Technology), Electronics & Communication (ACT), Information Science & Engineering (IS), Mechanical Engineering (MECH) and Robotics & Artificial Intelligence (R&AI). Out of these programs, seven UG programs i.e., BT, CIV, CS,E&E, E&C, IS and MECH are accredited by NBA, New Delhi under Tier - I category. The institute also offers PG program M.Tech. in five disciplines namely Computer Science & Engineering, Cyber Security, Mechatronics, Structural Engineering and VLSI Design & Embedded Systems as well as the Master of Computer Applications program is accredited by the National Board of Accreditation (NBA). All the departments have qualified research guides for students interested in taking up research work leading to Ph.D.

NMAMIT is housed in a vibrant, serene and green campus at Nitte spread over 125 acres and is nestled in the Western Ghats of Southern India on the way to the Kudremukh ranges. The nearest airport is Mangaluru International Airport (45 km). The nearest railway stations are Udupi (40

km) and Mangaluru (50 km). Nitte is 19 km from NH-66 connecting Kochi (Kerala) and Panvel (Mumbai) and 7 km from NH-169 connecting Mangaluru and Solapur (Maharashtra).

Nitte (Deemed to be University) has its roots in a group of Institutions established by the Nitte Education Trust. The Trust was established in 1979 by one of India's respected Statesman, Late Justice KS Hegde, Supreme Court Judge and Speaker of Lok Sabha, with the mission of empowering rural youth through quality education and healthcare. The Trust has established 36 institutions spread in three campuses at Nitte, Mangalore and Bangalore. It offers education in diverse areas of learning including health professions education, engineering, management, humanities, general education, vocational training, and school/pre-university education.

AB Shetty Memorial Institute of Dental Sciences (ABSMIDS), one of the colleges of the Nitte Education Trust, then affiliated to Rajiv Gandhi University of Health Sciences, was declared to be a "Deemed to be University" by Ministry of Human Resource Development on 4th June 2008. In the subsequent year (2009) KS Hegde Medical Academy (KSHEMA), Nitte Gulabi Shetty Memorial Institute of Pharmaceutical Sciences (NGSMIPS), Nitte Usha Institute of Nursing Sciences (NUINS) and Nitte Institute of Physiotherapy (NIPT) also came under the ambit of the newly formed Deemed-to-be University. Nitte Institute of Communication (NICO) was established in 2012, Nitte University Centre for Science Education and Research (NUCSE) in 2013 and Nitte Institute of Architecture (NIA) in 2015. In 2021, Nitte Institute of Speech and Hearing (NISH) became the most recent addition to the University.

The University offers a total of 160+ programs, in the disciplines of medicine, allied health sciences, dentistry, pharmacy, nursing, physiotherapy, speech and audiology, biological sciences, media & communication and Architecture. It has 27,000 students, 5,500+ faculty and 1 lakh alumni. The University campuses are spread over 52 acres in Deralakatte-Paneer areas of Mangalore.

The University received an A+ grade in NAAC accreditation in 2021 and continues to be recognized for academic excellence and global impact. It is ranked among the Top 100 in NIRF University Rankings 2025, with its dental college placed 6th and the pharmacy college ranked 51st nationally. In the international arena, Nitte University is placed in the Top 600 of the QS World University Rankings: Asia 2025 and features in the Top 400 of the Times Higher Education Impact Rankings 2024. It is also positioned in the 1501+ band of the Times Higher Education World University Rankings 2025, with healthcare education specifically ranked in the 1001+ band by subject (Medical & Health). The University has earned the Diamond rating in QS I-Gauge India Ratings and the 252nd rank in the UI GreenMetric World University Rankings 2024. The BPharm programme is accredited by NBA, while the teaching hospital is accredited by NABH and NABL, further reinforcing the University's quality benchmarks in education and healthcare.

Nitte Vinaya Hegde was a transformative leader in Indian higher education, most notably serving as the Chancellor of Nitte University from 2008 to 2026. Under his guidance, the institution achieved an A+ Grade from NAAC, a top-80 NIRF 2025 ranking, and inclusion in the 1201-1500 band of the THE World University Rankings 2026. He was instrumental in diversifying the academic portfolio to over 160 programs, spanning medicine, engineering, and specialized research areas like regenerative medicine and neuroscience.

His academic influence extended to national governance, serving as Chairman of the Board of Governors at NITK Surathkal and as a member of the Mangalore University Syndicate. His philosophy emphasized "research that serves society," leading to the establishment of advanced centers for environmental health and cancer genetics.

He also championed social equity through the NAMASTE Centre, providing fully sponsored education to students from India's North Eastern states. By integrating rigorous scholarship with social responsibility and athletic support, Nitte Vinaya Hegde transformed Nitte Education Trust into a

premier educational entity. His dedication to academic excellence and institutional building earned him an Honorary Doctorate from Mangalore University, cementing his legacy as a visionary educator.

Nitte Vinaya Hegde can be described as an entrepreneur having made a successful foray into the field of education, a philanthropist, a technocrat, an avid sports lover, a family man and finally to describe in his own words a true human being. He towers over many others when it comes to his contribution in heralding the second renaissance in the field of education in undivided Dakshina Kannada district. Under the guidance of this great visionary, Nitte Education Trust (NET) run by him has emerged as the largest Mangalore-based educational institution catering to basic and professional education. Being the son of a famous father late justice K S Hegde, Former Judge of the Supreme Court of India and Speaker of Lok Sabha, was not a deterrent for him to carve out his own place of eminence.

Mr. Vinaya Hegde also spearheads Lamina Group of Industries as the Group Chairman, which has a turnover in excess of Rs. 200 crores, employing more than 2000 people. The group has a export turnover in excess of Rs.100 crores with exports to countries like Germany, U.S.A, U.K, Korea, Finland, Belgium and others. The flagship company Lamina Suspension Products Ltd, which was founded in the year 1976, manufactures Automobile Leaf Springs. He was the Chief Promoter of Marmagoa Steels Limited, a Mini Steel Plant set up at Margao, Goa, in 1989. He was former Chairman of CII, Mangalore Chapter and was nominated by the Government of Karnataka as the Industrial Representative in the Governing Council of KREC, Suratkal, (now NIT Karnataka) and held this office till the institution was elevated as National Institute of Technology. He was appointed by the Government of Karnataka as Chairman of Coastal Agenda Task Force, constituted for drafting long term plan for the comprehensive development of the Coastal Districts.

He is also the former Chairman of the Board of Governors of National Institute of Technology Karnataka, Surathkal (by Ministry of HRD, Govt. of India) member of the Mangalore University Syndicate & Academic Council and member of the Governing Council of Manipal Institute of Technology, Manipal. The Coastal Agenda Task Force headed by him played a key role in proposing the Special Economic Zone for this region, which is now becoming a reality. A great sports lover that he is, Vinaya Hegde was responsible for awakening the sporting spirit among Mangaloreans by conducting national sports for the first time in the district headquarters in 1984 under the aegis of Lamina Group. He had a part to play in the development of some national-level athletes from the district.

In memory of his late father, the Nitte Education Trust has established a Foundation in 1992 under his Chairmanship. The Foundation undertakes charitable works like village adoption, housing, education and healthcare, resettlement of displaced children and vocational training. In recognition of his distinguished and longstanding service in the fields of education and industry Mr. N. V. Hegde has been conferred with "Honorary Doctorate" by the Mangalore University. When the Nitte (Deemed to be University) was established in 2008, he became the Chancellor. Under his farsighted leadership, in a short span of just four years, Nitte (Deemed to be University) has been placed under category "A" by the Ministry of Human Resource Development, Govt. of India, which is a rare distinction and achievement.
